JUDICIAL NOTICE: JS029587168GB.

Opening Statement by Congruence.

1. In everyday language Truth and the Facts are spoken interchangeably, as if they are one and the same thing.
2. Truth, True, Truce and Trust are NOT FACTS.
 - 2.1. Truth may contain a Fact, but a Truth does not need to contain a Fact.
 - 2.2. The key points here to realise are, a Truth is not a Fact and a Truth can masquerade as being a Fact.
3. A **Fact** exists independently of our opinions and truths.
 - 3.1. We can generate opinions on a Fact.
 - 3.2. When an opinion is generated on the back of a Fact an artistic impression is created.
 - 3.3. An Artistic impression whether that is on canvas or is written poetry, only modifies the Fact on paper in your mind, **not** the original Fact.
 - 3.4. No amount of opinions / Truths we Generate on the back of a Fact can modify the Fact, the Fact stands alone and exists independently.
 - 3.5. This is why the words Fact and Truth are two totally different words, with two totally different meanings.
 - 3.6. **Example:** A Fact is Man and Woman.
 - 3.7. If we break down the word Woman, Wo-man means Man with a womb.
 - 3.8. It is a **Fact** that a Man without a womb cannot create life.
 - 3.9. It is a **Fact** that a Woman cannot naturally create life without a Man.
 - 3.10. This is why the species is collectively known as Man.
 - 3.11. Homo Sapiens means One Wise, Homo means one, Sapiens means wise.
 - 3.12. If you modify the species Man by calling it human, you get a subspecies.
 - 3.13. Human is the **opinion** which modifies the **Fact** of the Man or Woman by the colouring of Man.
 - 3.14. Hue and hu are the colour modifications of an artistic impression of Man and Woman.
 - 3.15. Another way of saying hue, is shade, i.e. Black and White.
 - 3.16. See definition of Black and White in this notice, 47, 50.
 - 3.17. See definition of Human, Human Rights, Hue in this notice, 61.
4. Truths are simply the Opinions of at least three People.
 - 4.1. A truth is not a belief, TRU means 3, your belief has nothing to do with a truth or a fact.
 - 4.2. Truth, Trust, Truce and True are just another way of saying there are 3 things involved or 3 people, as in 3 sides of a triangle.
5. Bi means 2, as in bi-cycle, bi-sexual, bi-noculars, that is to say 2 things coming together like 2 wheels on a bi-cycle, when they come together it is called a bi-lateral agreement.
 - 5.1. Uni means one, as in Sole, Neo, uni-cycle, uni-verse, uni-form, uni-sex.
 - 5.2. When you see the word uni, it is helpful to simply substitute the **uni** with **one** as in one verse, one form, one sex.

5.3. A Uni-lateral agreement is an oxymoron because it masquerades as more than one thing coming together to make agreement.

6. Truth and its various derivatives are formed by a minimum of three, whether that is by People or by other Entities.

7. When you hear politicians say they made a uni-lateral agreement i.e., with China, it means they made an agreement with themselves which has nothing to do with China.

7.1. Clearly the politician has made false and misleading sentences that work to your detriment.

8. A Truth can be formulated by anybody or anything and passed off as a Fact.

9. Once You have agreed upon a Generated Truth, it forms a binding contract i.e., that the Government, Corporation, Religion or the Judiciary are in possession of Facts, but what they are doing is generating Opinions upon Opinions.

10. When the Innocent believe in these Truths, a Contract is created or formed, for example, Global Warming, Global Cooling and Climate Control.

10.1. Another example is, the Legislature, the Judiciary and the Executive, robbing You of Your ability to conduct Your own Affairs.

11. When the Parliamentary systems, the British Museum, Courts or the various Religions formulate a Truth, they are simply witnessing anything, whether it is False or a Fact, as a Truth / Trust / Truce etc.

11.1. This Truth is now sold as an Itemised Intellectual Product, as a Fact.

11.2. To reiterate, all it takes to lay Claim upon a Fabrication or to make False Claims, is for 3 People, 3 Entities to come together and agree that it is a Truth.

12. The splitting of this Sole / One Fact into three, is how Trusts are formed, like The Father, The Son and The Holy Ghost.

12.1. This is the way that Titles are split, making one Equitable Title and the other Legal Title administered by a Third Party robbing you of Title, Equitability and Standing.

12.2. In the World of Fiction corruption is what they seek and conspire to do.

13. In the hands of Honest People a Truth / Trust, is formed to keep balance so the Facts do not become corrupted.

14. One can corrupt, two can divide, as in corporate, but three can keep balance - Courtesy of The Rings of Power.

15. The Fiction World is made up of a collection of Engineered Truths fed to The People as Facts.

16. We understand how words and trusts work, so let us study the word **Museum**.

16.1. The British Museum is by Royal Charter.

16.2. **Museum** = A place of Amusement, as in Amusement Park.

16.3. Ideologies are formed for your amusement by the Museum.

16.4. The Tabloid Newspapers, Films, Documentaries etc., are the platforms for the promotion of the Amusing Theories.

16.5. Artifacts are fabricated on the back of these Theories.

16.6. These fabrications of Theories and Artifacts are displayed in newspaper articles or in a place like a Museum, for your amusement.

16.7. The function of the British Museum is to do all the above.

16.8. The Ideological Theories are now calibrated to produce Money, in other words determining how viable a Theory is to make money from.

16.9. Another phrase for the British Museum is the Bank of England, paraphrased The

British Museum doing business as The Bank of England.

16.10. **1st Example:** The Theory of Evolution is generated by way of Charles Robert Darwin doing business as the legal fiction name Charles Darwin.

16.11. Artifacts such as Dinosaur Bones, Fossils etc., are generated to fit the Theory and vice-versa.

16.12. Let us pause a minute and consider, Dinosaur Bones or any one of these gigantisms were never mentioned or found pre-dating 1800s / eighteen hundreds.

16.13. As if to say nobody else ever did any excavations, like Romans building Roads and other infrastructure etc.

16.14. To recap, all it takes is three people to come together, which is a Trust, to turn the Fact of a Cow Bone into the Truth of a Dinosaur Bone and to have this Trust formed through any Museum, promoting it via various avenues of media.

16.15. **2nd Example:** Communism, Socialism is generated by Karl Heinrich Marx doing business as the legal fiction name, Karl Marx.

16.16. His job is to convince the populous albeit the masses with his book Das Kapital, that Capital is the enemy of The People.

16.17. Capital means one thing and one thing only, **Your Head**, as you will read further in this Judicial Notice.

16.18. If you believed this British Museum sponsored rhetoric, you have lost Your Head.

16.19. **3rd Example:** Sigismund Schlomo Freud doing business as the legal fiction name Sigmund Freud.

16.20. His job was to sell you the Id / ID / I.D. / Persona / Ego / Es / It / Idiot.

16.21. The Id is a mental disorder and if you have an I.D., you are mentally incapacitated.

16.22. When Parliament, the creators of Lies, ask you for your I.D., it means that they are asking you for verification of your mental disorder in Your Passport, Drivers License, Student I.D, etc., written in all Capitals, which are all systems that put you under a License because you are mentally incapacitated.

16.23. This is how the system of licenses was birthed through the British Museum.

16.24. **4th Example:** Carl Gustav Jung doing business as the legal fiction name Carl Jung is to sell Person, Persona which are classified as Mental Disorders, i.e., Alternative Personality, Split Personality, Multiple Personality.

16.25. The Bank of England prints the intrinsic / Future Money that symbolizes the perceived value that these Theories and Artifacts will generate.

16.26. This is actually known as Fiat Currency – Acting Currency.

16.27. Acting means pretending, performing Fictional roles in Films, Theatres etc.

16.28. As an adjective it means temporarily doing business as, someone else, **acting superior**.

16.29. **1st Example:** Superior means, things that are Superficial, lacking depth of Character and incapable of serious thought i.e., Superman is a Man of Superficiality.

16.30. **2nd Example:** The Supreme Court is a Court of Superficiality, lacking depth of Character, lacking Fortitude, incapable of Rules / Rulings, lacking thinking.

16.31. Fiat means Flat, Empty, Inflated etc., Lacking any Value.

16.32. Currency means the Current that is found flowing between the River-Banks and Oceans.

16.33. Banking is the Bank of a River, the Currency is the flow of Energy called Current and The Bank of England banks the flow of Energy generated by the Lies.

16.34. The Theories and the Artifacts are credit-assessed as to how much money and for what period of time they generate Commercial Energy.

16.35. These Theories with their Artifacts are Franchised to all other Museums Doing Business As / DBA, the Bank of America, the Bank of Switzerland, the Bank of International Settlements, The Vatican Bank, World Bank, International Monetary Fund, etc.

16.36. To maintain control over its Franchisees, The British Museum steps in if the

continuity of their Lies is compromised or if a Franchise fee is not paid to the Franchiser, which is the British Museum.

16.37. In Banking Terms, the British Museum use their engineered Truths to make Claims and then, using a Trust, engineer incomplete, false Liens from the claims if the Franchise fee is not paid.

16.38. Artifacts means it is the Artistry of Creating an Opinion from a Fact i.e., **Art** = Opinion and **Fact** = Fact.

16.39. The British Museum is the franchiser albeit of the Oxford Press.

16.40. Another word for British is Boudica / Boadicea, Britannia, Britain, British Isles and these are words for conducting Banking in Maritime.

16.41. Another word for Museum is Treasury.

16.42. Another word for Treasury is 3 / three people's surety.

16.43. Treasury is to Treasure the Lies that are generated in order to seize or capture Factual Money and Currencies like Gold, Silver, Copper, Minerals, Land etc., using empty, worthless, valueless Fiat Currency commonly known as **SHADOW BANKING**.

16.44. The Museums are Money Laundering Shadows for Facts, paraphrased Old Lamps for New Lamps and God's Money for Fiction Money.

16.45. When these Banked Lies enter the Privately Owned Bank of England, the money that was generated through the Public Bank known as the British Museum, vanishes into the hands of the Privately Owned Bank of England, paraphrased Public-Private, Partner-Partnership.

16.46. To recap, when the Maritime Banking of the Lies is done, it is put into the Maritime Ships Treasury.

16.47. The Maritime Treasury uses a conduit called Public-Private Conversion and banks it in land jurisdiction called the Bank of England.

16.48. **To make it clear** in this Judicial Notice, what has just been said is the British Museum is the generator of Lies and Artifacts and it banks those Lies back into the Museum, which is another word for the Treasury and through conversion, that Treasury becomes the Bank of England which steals People's Lands, Gold, Silver, Copper, Minerals, Water / H₂O etc.

16.49. The Age of the Extinction Event is now upon the British Museum and all of its Franchises.

16.50. Men do not have Truce with Liars.

16.51. Liars forfeit everything.

17. All Parliamentary Systems i.e., the Legislature, the Judiciary and the Executive are running their systems on 100% / one hundred percent Fraud on the Words.

18. Where the Spoken Words are used, the Parliamentary Systems claim Parliamentary Discretion / Judicial Immunity meaning they take Zero Liability.

19. This is frequently done by the use of Past and Future Tenses, claiming the Past is only an opinion and the Future does not exist, therefore They have done nothing to incriminate Themselves.

20. The Words and the Sentences are Weaponised and Toxicified to work against The People, and we give you examples of these words.

21. It is believed by The Populous that Justice serves The People and they correct the Wrongs.

21.1. Once the Justice System, albeit called the Judiciary System, gets You to contract and take ownership of these Contracting Words, the rape and pillage of You starts.

21.2. As soon as you Contract, the Words are now weaponised and toxicified to work against You.

22. The toxic system has changed YOUR NAME into ALL CAPITALS, that is to say, to

write Your name differently which resembles your own live-birth / born-name, and You innocently agree to that ALL CAPITALS NAME.

22.1. Through toxic due-process YOU now establish that YOU are a Legal Fiction Person in Contract, in agreement.

22.2. In Banking terms, **YOU** / You is the Debtor, whether that is a living debtor / Person or Person passed away owing Money.

23. Words and the various names that resemble Your Own Name are by connotation and connotation only, which are used to harm and steal your Sweat Equity i.e., by presumption and assumption, that a False Name is attached to a living, breathing Man or Woman.

24. One of the best examples of Name change is on a Mortgage document, where you will come to witness what Mortgage really means.

25. The real horror is that The People have failed to understand how the system works against The People and their loved ones at every turn.

26. The Spirited People along with the Judicial Notice have broken the Legal Fiction World.

26.1. This includes Language Fraud, Slavery, Barbarism, Bureaucracies and all their acts and various Theatres of War, Theatres of Commerce, Medical Operating Theatres etc.

27. You have heard about the Toxified and Weaponised Words, the sexualisation of Words is also highly destructive, the potency of which was demonstrated when the Legal Fiction Name calling itself TONY BLAIR used this method to sell the Iraq war to the people as a sexualised product.

28. The People are the CREDITORS of the Corporations, Governments, Judiciary, Stock Market, Banks, Securities and Exchange Commission / SEC, etc.

29. All Corporations, Governments, Judiciary, Stock Market, Banks, Securities and Exchange Commission / SEC, etc., are the DEBTORS to the People.

30. The success of the Fiction to convince The People to be the Debtors is one example of how the State Actors, through lies, turn The People into the Debtors as opposed to being the Creditors.

31. If this is all too overwhelming, research Geoengineering and Cloud Seeding.

31.1. If you are new to Geoengineering, then the research will help you to understand how The People are kept blind, ignorant and divided.

31.2. For example, the Global Warmers staged a war over the Novelty-science of Global Coolers.

31.3. Because the two Warring Factions could not agree upon anything, the Middle Man stepped in and gave The People Climate Control.

32. The vastness of Geoengineering is a very good Demonstration of how your Atmosphere is constantly Engineered and Re-engineered in Plain Sight.

33. In researching You will come across a Word called Chemtrail; Do not follow this course.

33.1. Chemtrail is a Conspiracy-theory-word generated by the Geo-Engineers to confuse the Facts of what is happening to your Atmosphere.

34. Do You, The People, now comprehend how damaging these Words really are to Your own Lives, to Your own Atmosphere, to Your own Babies, to Your own Health?

66.2. This makes You Liable for the Crimes, the Losses, etc., of the Fictitious Name.

66.3. The term Personage has now been redefined to mean, a Person of Importance or Rank, as an entrapment of an ego, ego trap.

66.4. Originally, it meant to Assume the Identity of an Individual with the Intent of accessing their Property, a Criminally Prosecutable Act.

67. **Barratry** = Regarding the Bar Association, Fraudulent Breach of Duty, also the Persistent Incitement of Litigation by Deceit, Guile, Trickery, Malpractice, Fraud, etc., See point 35.4, 35.6.

67.1. Also, to bring Fictitious Charges into Court.

68. **Calendar** = Book of Debtors.

68.1. Originally, there were 13 Months in a Year.

68.2. Calendar is a Poison Word, and you can keep a Natural Record of Time without using a 12 / twelve Month series of Debtors-Boxes, called a Calendar.

68.3. Calendar comes under a system of Double Entry Bookkeeping where the Debtor, which is the State, Church, Banks, have switched the tables on You, The People, the Creditors, into an Everlasting State as the Debtor.

69. **Subject / Submit** = To be a Slave.

69.1. When You are asked to Submit a Form, You are Instructed as a Slave to Submit to their Will, thereby making You a Subject of the Crown, a King, a State.

69.2. In Monarchical Governments, a Subject Means One who owes Permanent Allegiance to the Monarch.

70. **Gender Reassignment** = Physical and Spiritual Mutilation.

70.1. To Physically Alter Your Physiology to the point where it is deemed Mutilation.

70.2. In order to maintain the Mutilation, powerful Chemicals and Hormones, commonly

known as Blockers, are prescribed with the view to Lobotomize You and Your Neural Network permanently.

70.3. This is to disconnect You from the Higher Functioning Part of Your Neural Network.

70.4. When you are **Mutilated**, you are registered as Physically and Mentally Disabled, where You are designated as Incapable of making Decisions for Yourself.

70.5. These are the Key Points as to what Gender Reassignment means.

70.6. For further reference, read the Diagnostic and Statistical Manual of Mental Disorders, also known as DSM-5.

71. Gender Dysphoria / Engineered Dysphoria = Impatience under Affliction.

71.1. In this sense, both the feelings of Impatience and the feelings of Affliction are Engineered.

71.2. Currently, Engineered Dysphoria Rhetoric is coming directly from the **Schools** that are, by force and threat, convincing Your Young Ones from Kinder-Garden / Kindergarten to Universities that Your Male and Female Biology can become transit by way of Surgery, Re-Orientation or Chemical Alteration etc.

71.3. There are hundreds of ways of causing Dysphoria amongst Young People.

71.4. One of the most Subtle is the Female Models, called Mannequins, on display in the Shop Windows, which are Male Mannequins dressed up as Females.

71.5. The Innocent By-Passer / Window-Shopper believes that the Narrow Hips, the Pinned-back Shoulders which are broader than the Hips, Flat Breasts, slender Upper and Lower Body, is the New Physique for the New Modern Woman which can only be accomplished through Surgery, Induced Chemical Imbalances, Hormonal Imbalances and Mutilation.

71.6. The above description is reversed for the Male by making Men more and more Feminine and Men that show Masculinity are considered and projected as Men having Toxic Masculinity.

72. Mutilation of Heirs / Minors = To hack away at the Flesh of an Heir / Minor, for the Purpose of Mutilating.

72.1. From Latin, mutilātus; to Cut Off, Maim.

72.2. Mutilation carries the Death Sentence.

73. Children = Ward of State / Slave of State, also Ward of King Herod's Court.

73.1. When You register Your Baby to a Registrar, You surrender Your Baby to that Registrar's Court.

73.2. When you use the Contractual Words Child or Children, You are Stating that You are offering Your Baby to King Herod's Court as a Sacrificial Offering.

73.3. The Registrar will in turn, hand the Baby over to the State as a **Ward of State**, which is a Legalese Way of saying **Slave of State**.

73.4. In addition, when You use the word Child or Children, You are saying your Son or Daughter is on Offer for a Buyer to Purchase.

73.5. Finally, the word Child or Children comes directly from the word Childermas.

73.6. To fully grasp the Horror of the description below, read several times what Childermas means.

73.7. Festival of the Holy Innocents, late Old English cildramæsse, from obsolete plural of child + mass.

73.8. It commemorates the Slaughter of Children in and around Bethlehem by order of Herod, Matthew 2:16-18. - Courtesy of Etymonline.

74. Judiciary, the Legislature and the Executive = A Trust where an Unknown is the Beneficiary.

74.1. **1st Example:** The Judiciary, the Legislature and the Executive is just another way of saying Father, Son and the Holy Ghost.

74.2. **2nd Example:** The Executive, The Administrator and The Beneficiary.

74.3. **3rd Example:** The Judge, The Clerk and The Solicitor.

74.4. **4th Example:** Lord, Spiritual and Temporal.

74.5. Since You know that You are not the Beneficiary of the Judiciary, the Legislature, the Executive, or the Church, the obvious and open-ended question is, Who are You in relationship to this Wanton Trust?

74.6. **Answer:** You are the one that is Volunteering to Pay into the Trust and if You do not, they will threaten You on letter, threaten to take You to Court, making You the debtor to the Trust, so on and so forth.

74.7. On final analogy, see it this way if you are a Christian, are You the Beneficiary of Jesus Trust?

74.8. **Answer:** No, Jesus and the Church of Jesus is the Beneficiary, You are the one that pays into the Trust.

74.9. To overcome and take possession of this Trust, You must learn to Bear Your Own Cross which is another way of saying, You Take Responsibility, You become the Creditor and they become the Debtor.

75. **All Rights** = You are taking Control of the Four Corner Rule.

75.1. Albeit on a Document, on a Tennis Court, in a Boxing Ring, Your Intellectual Property i.e., Patents.

75.2. Rights must be **Pressed**, no one can Give You Rights.

76. **All Rights Reserved** = A Reservation in Advance, stating that You have Reserved all Four Corners i.e., of Your Document in Advance, etc.

76.1. The easiest way to see this and be cognisant of it is, You booking a restaurant table, which is another way of saying that You are Reserving the Four Corners of the Dining Table in the Restaurant in Advance.

76.2. So, Through the Judicial Notice, make it a habit that whenever You Sign or Autograph a Document or make Verbal Contract, **clearly state that All Your Rights are Reserved.**

76.3. **Please note:** Rights are always **Pressed** and can never be given to You.

76.4. You have to **Press** your Rights and Reserve them, **otherwise You will lose them.**

77. **Level-Plane** = A Geometric Level-Plane, Geometric Level Playing Field, **One Jurisdiction** lacking disabilities, boxes, planes, vectors etc.

77.1. When Men and Women come together on a Level-Plane, with open hearts, open minds and open hands, without wearing Perukes to hide their wicked thoughts from God, Cloaks to cloak their intention, without crawling into boxes or creating crawl spaces to hide in, this is called a Court.

77.2. **A Court can only exist in Fact, on the Level-Plane with all the rules in Plain-Sight and Plane-of-Sight.**

77.3. When you are summoned into the Fictional Court, you the nescient People are walked in through to the Level-Plane and then directed off the Level-Plane into the Well of the Court.

77.4. **The Well of the Court is a fiction masquerading as a Level-Plane, even in those Wells the Global Constitution and Judicial Notice controls fair conduct.**

77.5. The Well of the Court is a depression, a Dock or a Box, disabling you, where in worst case scenario, you are moved into **No-Man's-Land.**

77.6. In this scenario, anybody and everybody in different Zones will take a shot at you whether that be for Money, Babies, Land, Houses, Parking Tickets etc.

77.7. It is the nature of liars, abusers, wicked people, collectively termed stupid people to put themselves in jeopardy by placing themselves in **No-Man's-Land**, they are openly stating they are in a war zone and are ready to be culled / killed.

77.8. **Example:** If People die in custody, i.e. Police Custody, Custody of the Court and their Families try to discover what went wrong they find themselves **in a legal No-Man's-Land.**

77.9. The Fiction world would like you to believe that the Well of the Court is where the court proceedings take place, either way the Level Plane is what controls the court and the Judicial Notice and Global Constitution fixes fair conduct of the Level-Plane.

77.10. In any Court the Baseline is called the Level-Plane, without the Level-Plane, there is no Court.

77.11. Different planes, boxes and vectors are elevations or depressions below and above the Baseline.

77.12. In the current position, all fictional courts including all parliamentary systems and all banking systems operating in fiction are in **No-Man's-Land**, in other words the current de-facto position is in **No-Man's-Land**.

77.13. **No-Man's-Land** is a situation or area of activity where there are no rules, or that no one understands or controls, because it belongs neither to one type nor another.

77.14. **Without the Judicial Notice and Global Constitution there are no rules so there is no protection**, the places of **No-Man's-Land** leave the fiction world open to be fired upon at will by the people.

77.15. **1st Example:** If a baby is wandering around in **No-Man's-Land**, anybody can do what they want, such as take the baby, use it for target practice, kill / cull it etc.

77.16. **2nd Example:** If you are honourable and wish to apply maximum force by whatever means possible to protect that baby from being harvested, shot upon etc., you are free to do so.

77.17. **3rd Example:** If you wish to protect the baby from a pedophile, you may use whatever force you wish, this includes any judgements you may wish to pass i.e. shoot through the head, castrate etc.

77.18. **Note:** Paedophilia, Cannibalism, Rape, Liars, Mutilation etc., all exist in **No-Man's-Land**.

77.19. In the fictional Court everything including the Judge, the Jury, the Audience, are all on different Planes and Vectors.

77.20. Multiple Boxes and vectors inside an existing Court, designate that the boxes and vectors have different rules within the larger four corners, i.e. the Court.

77.21. Every box, every vector is a different Court and a different Court case.

77.22. The Level-Plane, where the real court proceedings take place is totally empty.

77.23. **1st Example:** You see this in the Olympic Games where many games are conducted on one field at the same time and the field is clearly marked out as different boxes, different games, different rules.

77.24. **2nd Example:** There are different rules for the boxes on a Tennis Court depending on how many players there are in the Match.

77.25. On the Tennis Court, there are two lines that run on the outer edges of the Court.

77.26. The space between those lines is called the Doubles Alley and when you are playing singles one-on-one, shots that land in the Doubles Alley are out.

77.27. The point here is to fully comprehend that **the Fictional Courts are always empty**, the Claimants are empty, the Defendants are empty, there are no Judges, there are no Clerks, there is nobody, nothing takes place because they are taken off the Level-Plane, knowingly or unknowingly.

77.28. Even in boxes or vectors, the Judicial Notice and Global Constitution fixes fair conduct, there is no place they can go apart from **No-Man's-Land** where they have opened themselves up for fire under the Armed Forces.

77.29. All Parties must know the rules and whether they are dealing with Factual Matters or if Games are being played on the nescient.

77.30. The foul practitioners of the Judiciary System claim immunity by claiming to be in **Court** when they are **in Fact, knowingly out of Court**.

77.31. On fictitious documents from the fictitious Courts, liability is removed by making everyone a person or an actor and not a living Man / Woman.

77.32. This is called frivolous paperwork.

77.33. In Fictional Courts the Judiciary do not take responsibility and always Claim Immunity, as the Court is Fictional, the Immunity they Claim is also Fictional therefore they have **no Jurisdiction**.

77.34. When Men and Women have been damaged, there is no immunity since the moving party is 100% / one hundred percent liable.

77.35. The illusion is created that You are 100% / one hundred percent liable and they are 100% / one hundred percent **not** liable, this is **not** Fair Conduct, this is **Rape and Pillage**.

77.36. **On the back of this, nescient-people lose their lives and their livelihoods – For the People are Des-troy-ed for the Lack of the Knowledge.**

77.37. When dealing with the lives of Men and Women, to conduct such foulness in the Courts is Constructive Treason.

77.38. The Judiciary of Factual Courts always take full responsibility, without responsibility there is no jurisdiction.

77.39. Treason carries the maximum tariff and punishment.

77.40. It is a total violation of everything that we value, normally termed as Whole / Holy Ground.

77.41. Hallowed Ground is **No-Man's-Land**, dead-zone, wasteland etc., where the cry of the dead is heard.

77.42. Hallowed be thy name, quite literally means it's the cry of the lifeless, the soulless, the faithless, the hopeless etc.

77.43. Originally, the Fathers / Jesus' prayer translated, let your name be **sanctified**, which was poisoned to read, **Hallowed** be thy name.

77.44. Holy Ground is not to be confused with Hallowed Ground, **Hallowed Ground** is where the lifeless, the soulless, the faithless, the hopeless etc., Persons come together to make FOUL DEAD Agreement, derived from the word **Howling**, Mourning / Morning the Dead.

77.45. When they come together to conjure agreements i.e., amongst thieves, Liars, Rapists, this is known as Hallowed Ground.

77.46. **To recap**, Hallowed Ground is the contracting venue of the dead.

77.47. Jesus said unto him let the dead bury their dead, Luke 9:60, King James Version.

77.48. <https://www.theguardian.com/commentisfree/2015/oct/22/churches-survive-church-of-england-religion-buildings>

77.49. **To recap**, a court is a total representation of fair conduct, everything else is foul conduct and practice.

77.50. Factual Court represents Fair Conduct, Faith, Level-Plane, whether that be on Paper or a Place of meeting.

77.51. **The Court of the Judicial Notice and Global Constitution is the only fair, safe place where people who lack congruence can be brought together to communicate.**
