

VERITAS-FIDES-CANDOR-FIRMITAS-FLAG

JS 0295 8716 8GB

January 24th 2023.

Our Unique Reference: CHRISTOPHER, :mark-kishon. www.mkchristopher.com

1. For this Global-Constitution is with the people of the people for the people by the people.

1.1: The purpose of the Global-Constitution is to make the world a more congruent place until :david-wynn: Miller's language-technology colonises the Globe.

2. We the people claim the level-plane, the rights and the freedoms of men and women.

2.1: All people in their Private and Public Capacity are subject to the penalty of perjury.

2.2: Creating Pseudonyms, Personages, Nom-de-guerrung of people for the ill practise of barratry are to be corrected now and retrospectively.

3. Any people in the private or public, doing harm directly or indirectly will face maximum tariffs, penalisation, sentencing, and where appropriate, sentencing to death in the case of barbarism, heinous crimes, or insidious conduct.

3.1: All monetary, financial gains will be confiscated and used to aid, help the victims.

3.2: The helpers, aid givers will be non-profit organisations and will run in the form of open-ledger charities.

3.3: Men,women and agents in the pursuit of doing good for the people if they get injured or threatened or any one of these things, they are to be safeguarded and appropriately compensated for any loss or injury.

4. All tuition shall be taught on the basis of facts.

4.1: Where non-facts are to be taught, i.e., a theory, it must be taught as a theory and not confused with a fact. The same applies for faith and etc.

4.2: A clear distinction between fact and fiction words needs to be made. Knowing the difference between a reporter, journalist, columnist, correspondent, actor, black, Nigerian, white, mortgage, person, human, etc., will help and aid the people.

4.3: All licenses are qualifications of competence and will continue to be fit for purpose.

4.4: The old adage of; let food be thy medicine and medicine be thy food, be accessible to all the people on demand.

5. Technologies that help and aid men and women, the earth, nature etc., are immediately to be made available.

Page 1 of the 2.

5.1: People can take up these technologies as social contract, as well as entrepreneurial and business opportunities.

6. All essential services will be run as non-profit in the most honorable manner.

7. Living in harmony with creation and with our fellow men and women, is paramount.

7.1: Farming, animal husbandry is to be carried out with a maximum duty of care, minimizing cruelty, exploitation, harm and impact on nature.

7.2: Cruel exploitation on creatures is to be punished as an attack on nature itself.

8. All persons are in service of men and women and answerable on demand to all men and women with an autograph and finger-print / thumb-print / lip-print / ear-print etc.
