JUDICIAL NOTICE: JS029587168GB.

Opening Statement

1. All Parliamentary Systems i.e., the Legislature, the Judiciary and the Executive are running their systems on 100% / one hundred percent Fraud on the Words and Words only.
2. Where the Spoken Words are used, the Parliamentary Systems claim Parliamentary Discretion / Judicial Immunity meaning they take Zero Liability.
3. This is frequently done by the use of Past and Future Tenses, claiming the Past is only an opinion and the Future does not exist, therefore They have done nothing to incriminate Themselves.
4. The Words and the Sentences are Weaponised and Toxicified to work against The People, and we give you examples of these words.
5. It is believed by The Populous that Justice serves The People and they correct the Wrongs.
 - 5.1. Once the Justice System, or-be-it called the Judiciary System, gets You to contract and take ownership of these Contracting Words, the rape and pillage of You starts.
 - 5.2. As soon as you Contract, the Words are now weaponised and toxicified to work against You.
6. The toxic system has changed YOUR NAME into ALL CAPITALS, that is to say, to write Your name differently which resembles your own live-birth / born-name, and You innocently agree to that ALL CAPITALS NAME.
 - 6.1. Through toxic due-process YOU now establish that YOU are a Legal Fiction Person in Contract, in agreement.
7. Words and the various names that resemble Your Own Name are by connotation and connotation only, which are used to harm and steal your Sweat Equity i.e., by presumption and assumption, that a False Name is attached to a living, breathing Man or Woman.
8. One of the best examples of Name change is on a Mortgage document, where you will come to witness what Mortgage really means.
9. The real horror is that The People have failed to understand how the system works against The People and their loved ones at every turn.
10. The Spirited People along with the Judicial Notice have broken the Legal Fiction World.
 - 10.1. This includes Language Fraud, Slavery, Barbarism, Bureaucracies and all their acts and various Theatres of War, Theatres of Commerce, Operating Theatres etc.

11. You have heard about the Toxified and Weaponised Words, the sexualisation of Words is also highly destructive, the potency of which was demonstrated when the Legal Fiction Name calling itself TONY BLAIR used this method to sell the Iraq war to the people as a sexualised product.
12. The People are the CREDITORS of the Corporations, Governments, Judiciary, Stock Market, Banks, Securities and Exchange Commission / SEC, etc.
13. All Corporations, Governments, Judiciary, Stock Market, Banks, Securities and Exchange Commission / SEC, etc. are the DEBTORS to the People.
14. The success of the Fiction to convince The People to be the Debtors is one example of how the State Actors, through lies, turn The People into the Debtors as opposed to being the Creditors.
15. If this is all too overwhelming, research Geoengineering and Cloud Seeding.
16. If you are new to Geoengineering, then the research will help you to understand how The People are kept blind, ignorant and divided.
- 16.1. For example, the Global Warmers staged a war over the Novelty-science of Global Coolers.
- 16.2. Because the two Warring Factions could not agree upon anything, the Middle Man stepped in and gave The People Climate Control.
17. The vastness of Geoengineering is a very good Demonstration of how your Atmosphere is constantly Engineered and Re-engineered in Plain Sight.
18. In researching You will come across a Word called Chemtrail; Do not follow this course.
- 18.1. Chemtrail is a Conspiracy-theory-word generated by the Geo-Engineers to confuse the Facts of what is happening to your Atmosphere.
19. Do You, The People, now comprehend how damaging these Words really are to Your own Lives, to Your own Atmosphere, to Your own Babies, to Your own Health?
