Q: WHY CAN POLITICIANS COMMIT CRIMES THAT INDIVIDUALS CAN'T?

By the time the Median European hits 60,
He has paid millions in direct and indirect taxes.

Then He sits down and thinks.....

Insurance is a feed-back-loop built on fraud and
“Health” Insurance is in bed with the WHO and BIG PHARMA

Mortgage = Death Pledge = Banking Fraud

The “Government” steals children and kills the Elderly

Museums are Treasuries.....

We have plenty of proof for all the accusations stated here.

While GOD the Creator gave dominion over Earth's resources
to ALL OF US and not just to a few, so called, Elites.

The “Government” = Deep State stole hundreds of billions CHF in Royalties in Switzerland alone..

But still needs your taxes ? See swisscorruption.info

In the mean time, FIAT MONEY IS PRINTED OUT OF THIN AIR.....YES, YOU SAY,
I KNOW.....BUT WHAT CAN I DO since **THEY OWN THE POLICE AND THE WEAPONS.**

“One of the greatest and most important revelations in our time is the reality of children being raped, tortured and murdered in ritual sacrifices to Satan, by the heads of finance, government, business, etc. They do this, because in return for the child sacrifice they receive astronomical wealth and power from the dark realm. This has been publicly confirmed multiple times by Vladimir Putin, who is the only world leader openly opposing it.

One of the world renowned insider whistle-blowers who revealed this practice of child sacrifice by the elites, is **Ronald Bernard**.
His testimony has shaken hundreds of millions wide awake.

Ronald operated at the highest level of the financial elites.
He told me personally that the top leaders are not human.

“They are from a different frequency” he said.

When Ronald was invited to partake in child sacrifice, he refused.
As punishment he was tortured to death.”

Or so THEY thought... He survived to tell the world. If only the World's People would listen, it would STOP NOW.
